NWDrills is proud to introduce
it's newest addition to the
man-portable series of drills.

Introducing "The Weasel"

- * **The Weasel (NW100U)** wields a compact UG Diamond Drill offering the best value for capacity available anywhere.
- * Extremely small foot print boasting a 1.7m x 40cm x 94cm Feed Frame (66" x 16" x 37")
- * Easily capable of 100m (328ft) B Rod Depth
- * Can drill 180 degrees in any direction.
- * 5443kg (12,000lbs) of hydraulic pullback with twin cylinders
- * Uses 1.5m (5ft) drill rods with thru the chuck drill head
- * Powerful 30 hp Baldor Electric Motor
- * Estop at the Control Panel
- * Light weight drilling components & towable power pack.

159kg x (350lb)
Aluminum Feed Frame
